## accolades

Since 1999, Zuno founders have been recognized for outstanding work by AIGA—the professional association for design, W3 Awards, The International Academy of the Visual Arts, CUNA Councils, and MAME (Major Achievement in Marketing Excellence) to name a few. We have also been published in some of the industry's most prestigious publications like, 'The Logo Lounge' and 'The Big Book of Logos'. Zuno strives for award winning work with every project we get to be a part of.
